I'm a slave - slave of the worst kind  
Always waiting for more suffering  
Humiliate my body and soul  
I can no longer care  
I made my choice and I'm...

Glad to live in deep shit  
Fecal presents addict

I see no way out  
I'll remain your pet  
Pain will make me shout  
And wet my pants  
Time and again  
And wet my pants  
Time and again

In darkness dwells vice  
(Glamour pin-up smile with cumstains on her cheeks)

Pagneul  
My food is served on the floor in poussire  
Table basse  
You eat upon me use as a towel my pubic hair  
Cabinets  
Would you ease your bowels on me  
Septic tank  
Basketball  
If you feel like beating, come and spank

Glad to live in deep shit  
Fecal presents addict

I see no way out  
I'll remain your pet  
Pain will make me shout  
And wet my pants  
Time and again  
And wet my pants  
Time and again

In darkness dwells vice

(Glamour pin-up smile with cumstains on her cheeks)

Whatever I do all I see is vice  
Wherever I go, Wherever I'm goin'  
Whatever I do all I see is vice  
Wherever I go I make my show

I see no way out  
I'll remain your pet  
Pain will make me shout  
And wet my pants  
Time and again  
And wet my pants  
Time and again

In darkness dwells vice  
(Glamour pin-up smile with cumstains on her cheeks)
