Come. Come here. Don't move  
Sit down and... sniff in my pants  
Don't bite  
Lick if you like my smell

How... how sweet this fur  
Go on, please  
Gentil le chien!  
Soon will I come to give you my pride...

(Langue de chien, langue de mdecin)

You are my best friend and will stay so now  
Sit on my lap  
It is mesmerizing  
I can't believe it  
I'm so addicted to the way you're lickin'  
And no one will tear us apart, never

You are my best friend and will stay so now  
Sit on my lap  
It is amazing  
I can't believe it  
I'm so addicted to the way you're lickin'  
And no one will tear us apart, no

Come. Come here. Don't move  
Sit down and... sniff in my pants  
Don't bite  
Lick if you like my smell

(Qui n'aime pas les btes n'aime pas les gens)

You are my best friend and will stay so now  
Sit on my lap  
It is mesmerizing  
I can't believe it  
I'm so addicted to the way you're lickin'  
And no one will tear us apart, never

You are my best friend and will stay so now  
Sit on my lap

It is amazing  
I can't believe it  
I'm so addicted to the way you're lickin'  
And no one will tear us apart, no

Amazed by man's best friend  
Does someone understand?

(Fais du bien un chien, il te chie dans la main)

You are my best friend and will stay so now  
Sit on my lap  
It is mesmerizing  
I can't believe it  
I'm addicted to the way you're lickin'  
No one will tear us apart, never

You are my best friend and will stay so now  
Sit on my lap  
It is amazing  
I can't believe it  
I'm so addicted to the way you're lickin'  
And no one will tear us apart, no  
No one will tear us apart, never  
No one will tear us apart, no
