

Beach House "Take Care"

Visit "[Take Care](#)" on MotoLyrics.com

Stand beside it, we can't hide the way it makes us glow
It's no good unless it grows, feel this burning love of
mine

Deep inside the ever-spinning, tell me does it feel
It's no good unless it's real, hill sides burning
Wild-eyed turning till we're running from it

I'd take care of you if you'd ask me to
In a year or two

You say swimming in the lake we'll come across a
snake

It is real and then it's fake, feel it's heartbeat
Feel what you heat, far so fast it feels too late

I'd take care of you if you'd ask me to
In a year or two

I'll take care of you, take care of you, that's true...
