Hello  
You're humming tomorrow's never songs  
But you're singing the only words you know  
Would you cry, if I lied, on the dam

I chose, yeah  
You're ringing the only wedding bell  
And we're swimming the seas we've known so well  
I've tried, to stay alive, in our bed, in our heads  
Oh, but your wish is my command

Ahhh, is your heart still mine to save?  
I  
enjoy  
nothing  
ahhh

I chose, yeah  
You're ringing the only wedding bell  
And we're swimming the seas we've known so well  
I've tried, to stay alive, in our bed, in our heads  
Oh, but your wish is my command
