Ooh, you had me crying
Tears upon your pillow
Hanging your head on the wall

Show 'em you can take it
Serve it like
You never could fall

Still sane
You may think you're crossing the line
Still sane
You may think you're losing your mind

As you stare at their faces
Stare at their faces
Stare at their faces
Ooh, ooh, ooh, still sane

Ooh, you had me running
Crazy without looking
Hurling around in the night

Turn another corner
Everything is brighter
Smile with your face to the light

Still sane
You may think you're crossing the line
Still sane
You may think you're losing your mind

As you stare at their faces
Stare at their faces
Stare at their faces
Ooh, ooh, ooh, still sane

Ooh, just keep 'em guessing
Know one has to know it
All of your love is in vain

Better keep your chin up
Even if they strike it

Give them no pleasure from your pain

Still sane

They may think you're crossing the line

Still sane

They may think you're losing your mind

Stare at their faces

Stare at their faces

Stare at their faces

Ooh, ooh,, still sane

Still sane, ooh, na na na

Still sane, still sane

Ooh, na na na, still sane

Still sane, still sane

Ooh, na na na, still sane

Still sane, still sane...
