BACK TO LIFE (HOWEVER DO YOU WANT ME) -
24/06/1989
4 weeks at #1 - 14 weeks on chart

Back to life, back to reality
Back to life, back to reality
Back to life, back to reality
Back to the here and now yeah
Show me how, decide what you want from me
Tell me maybe I could be there for you

However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me

Back to life, back to the present time
Back from a fantasy Yeah
Tell me now, take the initiative
I'll leave it in your hands until you're ready oh
However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me
However do you need me
However do you need me
However do you need me
However do you need me
However do you need me
However do you need me

I live at the top of the block
No more room for trouble or fuss
Need a change, a positive change look
Look it's me writing on the wall

However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me

Back to life, back to the day we have
Let's end this foolish game
Hear me out don't let it waste away
Make up your mind so
I know where I stand

However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me
However do you want me
However do you need me
How, however do you want me
However do you need me
