Alright, you're right, let's talk it over now
Talk it over now, I'm wrong, you're gone
So you're serious, really serious
You're saying I'm insane, oh, that's craziness,
craziness
I'm trying to find its real meaning, insanity

When I get home again everything we said
It seemed to hold us back again, again
When I get home then we try to make it better
In the same damn way again, again

So long, you're gone, you're really leaving me, leaving
There's no prize for goodbyes, no joy either, either
You're saying I'm insane, oh, that's craziness,
craziness
I'm trying to find its real meaning, insanity

When I get home again everything we said
It seemed to hold us back again, again
When I get home then we try to make it better
In the same damn way again, again

Enough, I've had enough
Oh, I'm leaving
