40 days now  
I'm drifting away  
And the planet gets smaller and smaller now  
I am fading  
It's cold out here

The stars are glowing  
Brighter out here I'm free  
No sky is the limit  
And I just keep moving on

Yes, we're back  
We're out of control  
Yes, it's true  
We're losing it all  
Hold me down

Outer space is  
Nothing I'd expect  
There are no limits  
No places to put my weight  
And I'm just flying  
I just keep moving on

Yes, we're back  
We're out of control  
Yes, it's true  
We're losing it all  
Hold me down

Just get me out of here  
Out of the stratosphere  
'Cause when I glance at you  
I know

Yes, we're back  
We're out of control  
Yes, it's true  
We're losing it all  
Hold me  
Yes, we're back

We're out of control  
Yes, it's true  
We're losing it all  
Hold me down
