"North"

And I like to tell you why
Why I like it so
'Cause it starts between my ears
Like music I don't know

It's a crispy sound of ice
When I walk the north
And it's hard not to smile
And it's hard not to yell...

I need you
I need you here
To feel this
This atmosphere

Through a thin piece of ice
I watch another world
So Slow, sharp and white
So calm and cool and bright

The north is so cold
Even time
Time freezes up
And if you're here too long
You'll freeze beside me now

I need you
I need you here
To feel this
This atmosphere

Now I want you
I need you

I need you
I need you here
To feel this
This atmosphere
I need you
I need you here
To feel this

This atmosphere

Now I need you...
