Sometimes
It really sometimes
Feels like hard times
Getting by with you

Mazes
It amazes
How your head is
Keeps me spinning
Sometimes your eyes turn black

You and I
Will find the lights again
You and I
Will find the lights again
We will find the lights again

Shiver
You give me shivers
From the rivers
Leaking down your cheeks
Teasing
You keep teasing with your nothing
All that I gave was love
Keeps me spinning
Sometimes your eyes turn black

You and I
Will find the lights again
You and I
Will find the lights again
We will find the lights again
We will find the lights again

I can get you through
I am here for you
I am here for you
I can get you through
I am here for you
Never leaving you

You and I
Will find the lights again
You and I
Will find the lights again
We will find the lights again
We will find the lights again
