There you are with glowing eyes
Watching as the world goes by
Will you ever know my name

I have watched you from afar
Tried to picture who you are
Will you ever feel the same?

Who's gonna save you?

It's a game no one can win
It's the end that won't begin
It's the everlasting tie
Between love and you and I

It's the never-ending sea
It's a wave embracing me
It's the everlasting tie
Between love and you and I

In your beating heart I found
Pieces of a broken sound
A melody I longed to sing

But you're the air I'll never breathe
I will never feel at ease
Still, I would give you everything

Who's gonna save me?

It's a game no one can win
It's the end that won't begin
It's the everlasting tie
Between love and you and I

It's the never-ending sea
It's a wave embracing me
It's the everlasting tie
Between love and you and I

No one can save

No one can save us

It's a game no one can win
It's the end that won't begin
It's the everlasting tie
Between love and you and I

It's the never-ending sea
Crashing down on me
It's the everlasting tie
Between love and you and I
