Sex games don't change a thing  
Over, and over again

Your life's in a loop

I try to shout  
Work it out  
This is what it's all about!

Back here it all  
Looks the same  
No smiles, and no one to blame  
Out there things are clear

It's better now  
Work it out  
This is what it's all about!

We're headed for the wild wonders  
Distant wonders  
Where days are made of stars  
(Go get it)  
Dream diving makes me want to lead you there  
Now we see the wild wonders  
All around us  
Dreams are made of stars  
(Go get it)  
They'll surely shine forever!

Mai tais don't make you belong  
And when love is your favourite song  
Taste it- spit it out!

It's better now  
Work it out  
This is what it's all about  
It's better now  
Worked it out  
This is what it's all about

We're headed for the wild wonders

Distant wonders  
Where days are made of stars  
(Go get it)  
Dream diving makes me want to lead you there  
Now we see the wild wonders  
All around us  
Dreams are made of stars  
(Go get it)  
They'll surely shine forever! (repeat to fade)
