You're so right
And you don't think you're wrong
You're not on the list
And you're not in my songs

I did right to walk
And just leave you there
'Cause no one can stand your
Fear of fear

So wrong
And you still think your right
And I was too old
To pick that fight

And nothing you touched
Is changed today
I broke up with you
'Cause you didn't change - me

Yeah!
Yes it's human
It's just human
You noticed?
Yeah!
You're just human
Did you notice?
Damn right!

You're so right
And you don't think you're wrong
You're not on the list
And you're not in my songs

I did right to walk
And just leave you there
'Cause no one can stand your
Fear of fear

Yeah!
Yes it's human
It's just human

You noticed?
Yeah!
You're just human
Did you notice?
Damn right!
