There you are with glowing eyes  
Watching as the world goes by  
Will you ever know my name

I have watched you from afar  
Tried to picture who you are  
Will you ever feel the same?

Who's gonna save you?

It's a game no one can win  
It's the end that won't begin  
It's the everlasting tie  
Between love and you and I

It's the never-ending sea  
It's a wave embracing me  
It's the everlasting tie  
Between love and you and I

In your beating heart I found  
Pieces of a broken sound  
A melody I longed to sing

But you're the air I'll never breathe  
I will never feel at ease  
Still, I would give you everything

Who's gonna save me?

It's a game no one can win  
It's the end that won't begin  
It's the everlasting tie  
Between love and you and I

It's the never-ending sea  
It's a wave embracing me  
It's the everlasting tie  
Between love and you and I

No one can save  
No one can save us

It's a game no one can win  
It's the end that won't begin  
It's the everlasting tie  
Between love and you and I

It's the never-ending sea  
Crashing down on me  
It's the everlasting tie  
Between love and you and I
