I walk the path of death  
Which no one will return  
I will lead you to this path  
And see you burn  
The only guiding light  
The blackest light  
To you who seek the knowledge  
I will spill your fucking blood!!!

Follow me through this earthly hell  
And lay thy hands on his horned skull  
And worship!!!  
The fallen angel of doom

Faster, faster  
We're heading towards total disaster  
My father is fire my mother is hate  
Nourished with the blood  
That blackened my hellish faith

Poisoned by the christian earth  
Baptized by priest at birth  
I command and follow lucifer  
As the only representative  
Living force...Lucifer!!!

The blackest light of evil  
I have the knowledge  
Spilling my blood!!!

I fell first amongst the angels  
Who despise jesus christ  
And all other heavenly creatures  
Of the so-called heaven  
The age of the moon  
That should be observed by  
All of the true heathen blood  
I expect no less!!!  
Spill the blood of the fucking lamb!!!
