"Baby It's You"

It's not the way you smile

That touches my heart

It's not the way you kiss

That tears me apart

Many, many nights go by

I sit alone

At home I cry

Over you

What can I do

Can't help myself

'Cause baby it's you

You should hear what they say about you

They say you've never

Never, never been true

Oh! Oh! Oh!

Doesn't matter what they say

I'm gonna love you any old way

What can I do

When it's true

Don't want nobody

'Cause baby it's you

Many, many, many nights go by

I sit alone

At home I cry

Over you

What can I do

Can't help myself

'Cause baby it's you
