It won't be easy, you'll think it strange
When I try to explain how I feel
That I still need your love after all that I've done
You won't believe me
All you will see is a girl you once knew
Although she's dressed up to the nines
At sixes and sevens with you
I had to let it happen; I had to change
Couldn't stay all my life down at heel
Looking out of the window, staying out of the sun
So I chose freedom
Running around trying everything new
But nothing impressed me at all
I never expected it to
Don't cry for me, Argentina
The truth is I never left you
All through my wild days
My mad existence
I kept my promise
Don't keep your distance
And as for fortune, and as for fame
I never invited them in
Though it seemed to the world they were all I desired

They are illusions

They're not the solutions they promised to be

The answer was here all the time

I love you and hope you love me

Don't cry for me, Argentina

Don't cry for me, Argentina

The truth is I never left you

All through my wild days

My mad existence

I kept my promise

Don't keep your distance

Have I said too much? There's nothing more

I can think of to say to you

But all you have to do is look at me to know

That every word is true
