"For All We Know"

Love, look at the two of us

Strangers in many ways

We've got a lifetime to share

So much to say and as we go on from day to day

I'll feel you close to me

But time alone will tell

Let's take a lifetime to say

I knew you well

For only time will tell us so

And love may grow for all we know

Love, look at the two of us

Strangers in many ways

Let's take a lifetime to say

I know you well

But only time will tell us so

And love may grow for all we know
