"Goodbye To Love"

I'll say goodbye to love
No one ever cared if I should live or die
Time and time again the chance for love
has passed me by
And all I know of love
is how to live without it
I just can't seem to find it.
So I've made my mind up I must live
my life alone
And though it's not the easy way
I guess I've always known
I'd say goodbye to love.
There are no tomorrows for this heart of mine
Surely time will lose these bitter memories
And I'll find that there is someone to believe in
And to live for something I could live for.

All the years of useless search
Have finally reached an end
Loneliness and empty days will be my
only friend
>From this day love is forgotten
I'll go on as best I can.
What lies in the future
is a mystery to us all
No one can predict the wheel of fortune
as it falls
There may come a time when I will see that
I've been wrong
But for now this is my song.
And it's goodbye to love
I'll say goodbye to love.
