"Have Yourself A Merry Little Christmas"

Christmas future is far away

Christmas past is past

Christmas present is here today

Bringing joy that will last
Have yourself a Merry Little Christmas

Let your heart be light

From now on our troubles

Will be out of sight
Have yourself a Merry Little Christmas

Make the yuletide gay

From now on your troubles

Will be miles away
Here we are as in olden days

Happy golden days of yore

Faithful friends who are dear to us

Gather near to us once more
Through the years we all will be together

If the fates allow

Hang a shining star upon the highest bough

And have yourself a Merry Little Christmas now
