Dreaming, I must be dreaming
Or am I really lying here with you
Baby, you take me in your arms
And though Iâ€™m wide awake I know my dream is
coming true

And oh, I just fall in love again
Just one touch and then it happens every time
And there I go, I just fall in love again
And when I do, canâ€™t help myself, I fall in love with you

Magic, it must be magic
The way I hold you and the night just seems to fly
Easy for you to take me to a star
Heaven is that moment when I look into your eyes
And oh, I just fall in love again
Just one touch and then it happens every time
And there I go, I just fall in love again
And when I do, canâ€™t help myself, I fall in love with you

And oh, I just fall in love again
Just one touch and then it happens every time
And there I go, I just fall in love again
And when I do, canâ€™t help myself, I fall in love with you
Canâ€™t help myself, I fall in love with you
