It's gonna take some time this time  
To get myself in shape  
I really fell out of line this time  
I really missed the gate  
The birds on the telephone line next time  
Are crying out to me next time  
And I won't be so blind next time  
And I'll find some harmony  
But it's going to take some time this time  
And I can't make demands  
But like the young trees in the wintertime  
I'll learn how to bend  
After all the tears we've spent how could we make  
amends?  
So it's one more round for experience  
And I'm on the road again  
And it's going to take some time this time  
And I can't make demands  
I'll learn how to bend

It's gonna take some time this time  
No matter what I've planned  
And like the young trees in the wintertime  
I'll learn how to bend  
After all the tears we've spent how could we make  
amends?  
So it's one more round for experience  
And I'm on the road again  
And it's going to take some time this time
