It's Christmas time and time for a carol

Time to sing about the little King

To fill the bowl and roll out the BARREL

Have ourselves a fling
We greet a friend or welcome a stranger

Let him sing OR cheer him on his way

And celebrate the child in the manger

Born on Christmas day
Good cheer for you and for me

With pleasure and glee to share

Oh, we're so happy to be together

On yuletide square
It looks like snow

And falls like snow

Take a moment

Take a look about and say

As snowflakes fall

Merry Christmas to one and all
Sleep well, little children, wherever you are
Tomorrow is Christmas beneath every star
Soon the snowflakes will fall, and tomorrow
you'll see
Every wish, one and all, waiting under the tree

Sleep well, little children, pleasant dreams through the
night
Tomorrow is Christmas, all merry and bright
Soon you'll hear the bells ring, time for dreams

to come true
As the world waits, you dream
Merry Christmas to you!
