Johnny Angel, Johnny Angel

Johnny Angel, Johnny Angel

You're an angel to me  
Johnny Angel

How I love him

How I tingle

When he passes by

Everytime he says "hello"

My heart begins to fly  
Johnny Angel

How I want him

He's got something

That I can't resist

But he doesn't even know

That I exist  
I'm in heaven

I get carried away

I dream of him and me

And how it's gonna be

Other fellows

Call me up for a date

But I just sit and wait

I'd rather concentrate

On Johnny Angel

'Cause I love him

And I pray

That someday he'll love me

And together we will see

How lovely Heaven will be

And together we will see

How lovely Heaven will be
