Part 1: This Masquerade

Are we really happy with
This lonely game we play?
Looking for the right words to say
Searching but not finding
Understanding anyway
We're lost in This Masquerade

Both afraid to say we're just too far away
From being close together from the start
We tried to talk it over
But the words got in the way
We're lost inside this lonely game we play

Part 2: My Funny Valentine

My Funny Valentine
Sweet, comic valentine
You make me smile with my heart
Your looks are laughable
Unphotographable
Yet you're my favorite work of art

Part 3: I'll Be Seeing You

I'll Be Seeing You
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll Be Seeing You

Part 4: Someone To Watch Over Me

There's a-somebody I'm longing to see
I hope that he turns out to be
Someone To Watch Over Me
I'm a little lamb who's lost in a wood

I know I could always be good
To one to watch over me

Part 5: As Time Goes By

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As Time Goes By

Moonlight and love songs
(Moonlight and love songs)
Never out of date
Hearts full of passion
(Hearts full of passion)
Jealousy and hate
Woman needs man
And man must have his mate
That no one can deny

It's still the same old story
(Aw-haw)
A fight for love and glory
A case of do or die
The world will always welcome lovers
As Time Goes By

Part 6: Don't Get Around Much Anymore

Missed the Saturday dance
(I Let A Song Go Out Of My Heart)
Heard they crowded the floor
(It was the sweetest melody)
Couldn't bear it without you
(I know I lost heaven cause you're some)
Don't Get Around Much Anymore

Part 7: I Let A Song Go Out Of My Heart

Am I to blame to make amends?
You know that we were meant to be more than just
friends

I Let A Song Go Out Of My Heart
Believe me baby when I say
I won't know sweet music
'Cause I don't get around much
I don't get around much
I don't get around much
Don't Get Around Much Anymore
