Some sleepless night if you should find yourself alone
(*) Let me be the one you run to

Let me be the one you come to

When you need someone to turn to

Let me be the one
To set things right

When this whole world's turned upside down
Repeat (*)
For love and understanding, to find a quiet place

For silent understanding, a loving touch

Come to me when things go wrong

And there's no love to light the way
Repeat (*)
Let me be the one you run to

Let me be the one you come to

When you need someone to turn to

Need someone to turn to

Let me be the one you run to

Let me be the one you come to

When you need someone to turn to

Need someone to turn to

Let me be the one you run to

Let me be the one you come to

When you need someone to turn to
