Its alright(3x)

I'm gonna wake you up early
Cuz im gonna take a ride with you
We're goin down to the Honda shop
Tell ya what we're gonna do
Put on a ragged sweatshirt
I'll take ya anywhere you want me to

First gear.. it's alright
Second gear... lean right
Third gear... hang on tight
(Faster- it's alright)

Its not a big motorcycle,
Just a groovy little motor bike
It's more fun than a barrel of monkeys that two wheel
bike
We'll ride out on the town to any place I know you'll like

First gear... it's alright
Second gear... lean right
Third gear... hang on tight
(Faster- it's alright)

It climbs hills like a matchless
Because my Honda's built really light
When I go into the turns and i hang on tight
I better turn on the lights so we can ride my Honda
tonight

First gear... it's alright
Second gear... lean right
Third gear... hang on tight
(Faster- it's alright) 3x
