talk about love how it makes life complete  
you can talk all you want make it sound nice and sweet  
but the words have an empty ring and they dont really  
mean a thing  
without him love is not to be found  
not to be found

chorus:  
for love is surrender  
love is surrender to his will  
love is surrender to his will

sing about love and the strength it can give  
you can sing how your ready to face life and live  
but you knowas the days go by  
that no matter how you try  
without him love is not to be found  
not to be found

chorus

shout about love and the wars will all end  
you can shout were all brothers and even pretend  
but you cant cover up the past just pretending 'll never  
last  
without him love is not ot be founf  
not to be found

chorus

his will  
his will
