Talk about love
How it makes life complete
You can talk all you want
Make it sound good and sweet
But the words have an empty ring
And they don't really mean a thing
Without love you are not to be found
You are not to be found
For love is surrender
Love is surrender if you care
Love is surrender if you dare
Shout about love
Then the wars will all end
You can shout ";we're all brothers";,
And eve pretend
But you can't cover up the past
Just pretending will never last
Without love you are nothing at all
You are nothing at all
For love is surrender
You must surrender if you care

You must surrender if you dare

For love is surrender

You must surrender if you care

You must surrender if you dare

Da-a-a-re!
