Sing, sing a song
Make it simple to last
Your whole life long
Don't worry that it's not
Good enough for anyone
Else to hear
Just sing, sing a song.

Go while the going is good
Knowing when to leave may be
The smartest thing anyone can learn, go!
I'm afraid my heart isn't very smart
Fly while you still have your wings
Knowing when to leave never let you reach
The point of no return, fly!

Foolish as it seems
I still have my dreams
So I keep hoping, day after day
As I wait for the man I need
Night after night as I wish
For a love that can be
Though I'm sure that no one can tell where their
Wishes and hopes will lead, somehow I feel
There is happiness waiting for me

When someone walks in your life
You just better be sure it's right
'Cause if he's wrong, there's are heartaches and tears
you must pay
Keep both of your eyes on the door
Never let it get out of sight
Just be prepared when the time has come
You run away
Sail when the wind starts to blow
But like a fool I don't know when to leave

If you really love her
And there's nothing I can do
Don't try to spare my feelings
Just tell me that we're through

And make it easy on yourself
Make it easy on yourself
Cause breaking up is so very hard to do

If the way I hold you
Can't compare to her caress
No words of consolation will make me miss you less
My darling if this is goodbye
I just know I want to cry
So run to her before you start crying too
And make it easy on yourself
Make it easy on yourself
Cause breaking up is so very hard to do

Someday, rested from hours of sleeping
We'll stay safely behind what we're keeping
You'll seem warmer than I had remembered you
Lying so close I'll be able to feel you breathe
I could never leave

One day, when I am able to love you
I'll come back from wherever I've been to
Please say that you'll be waiting when someday comes
Promise me this and a kiss, to keep what you are
Always close to me

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day
Together.

And when the evening comes we smile,
So much of life ahead
We'll find a place where there's room to grow,
And yes, We've just begun.
