After long enough of being alone  
Everyone must face their share of loneliness  
In my own time nobody knew  
The pain I was goin' through  
And waitin' was all my heart could do  
Hope was all I had until you came  
Maybe you can't see how much you mean to me  
You were the dawn breaking the night  
The promise of morning light  
Filing the world surrounding me  
When I hold you  
(\* ) Baby, Baby  
Feels like maybe things will be all right  
Baby, Baby  
Your love's made me  
Free as a song singin' forever  
(\*\* ) Only yesterday when I was sad  
And I was lonely  
You showed me the way to leave  
The past and all it's tears behind me  
Tomorrow may be even brighter than today  
Since I threw my sadness away  
Only Yesterday

I have found my home here in your arms

Nowhere else on earth I'd really rather be

Life waits for us

Share it with me

The best is about to be

So much is left for us to see

When I hold you

Repeat (\*)

Repeat (\*\*) twice
