"Reason To Believe"

If I listen long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced
While I cried
(*) And still I look
To find a reason to believe
Someone like you makes it hard to live
Without somebody else
Someone like you makes it easy to give
Never thinking of myself
If you took the time to change my mind
I'd find a way
To leave the past behind
Knowing that you lied straight-faced
While I cried
Repeat (*)
If I listen long enough to you
I'd find the way to believe that it's all true
Knowing that you lied straight-faced
While I cried
Repeat (*)
