(*) There's a kind of hush

All over the world tonight

All over the world

You can hear the sound of lovers in love

You know what I mean
Just the two of us

And nobody else in sight

There's nobody else and I'm feelin' good

Just holding you tight
(**) So listen very carefully

Get closer now and you will see what I mean

It isn't a dream

The only sound that you will hear

Is when I whisper in your ear I love you

For ever and ever
There's a kind of hush

All over the world tonight

All over the world

People just like us are fallin' love
Repeat (**)
