When I Fall In Love
Maybe I'm old fashioned feeling as I do

Maybe I'm just living in the past

But when I meet the right one, I know I'll be true

My first love will be my last
When I fall in love, it will be forever

Or I'll never fall in love

In a restless world like this is

Love is ended before it's begun

And too many moonlight kisses

Seem to cool in the warmth of the sun
When I give my heart, it will be completely

Or I'll never give my heart

And the moment I can feel that you feel that way too

Is when I fall in love with you
And the moment I can feel that you feel that way too

Is when I fall in love with you
