Dance with you
Dance with you
Dance with you
Dance with you

Dancing with you
Is all I want to do
Can't get you off my mind
I want to be with you
All the time

(Dance with you)
Come on and dance with me, baby
(Dance with you)
Make romance with me, baby

(Dance with you)
I'm gonna, I'm gonna
(Dance with you)
'Cause I wanna, I wanna

Dancing the night away
Keep going till the break of day
Oh, why I love you, can't you see
Please come and go with me

(Dance with you)
I've gotta keep dancing
(Dance with you) hey
(Dance with you)
Woo, woo, woo, woo
(Dance with you)
I need you, I need you

(Dance with you)
Have fun with me
(Dance with you)
I'm gonna sing
While I swing with you

(Dance with you)
Come on and ho ho ho

(Dance with you)
I like it, I like it

Dancing with you
Is all I want to do
Can't get you off my mind
I want to be with you
All the time

(Dance with you)
I wanna stay with you, boy
Dance with you
So I can play with you, boy

(Dance with you)
Feels real good now
(Dance with you)
So good, so good

Dance, dance, dance, dance
Dance, dance, dance with you
I wanna, I wanna, I wanna

Dance, dance, dance, dance
Dance, dance, dance with you
I need you, I need you, I need you

Dance, dance, dance, dance
Dance, dance, dance with you
I've gotta, I've gotta, I've gotta

Show me the funk
We'll make you jump
Dance with you

Show me the funk
We'll make you jump
Dance with you
