I bend I don't break,
If I want I just take.
If I cut I bleed,
If I bleed I don't cry,
Don't cry, don't cry.
I cry for love
I cry for love

If I fall I get up,
Am I tough, tough enough?
For I bend I don't break,
If I want I just take.
If I cut I bleed,
If I bleed I don't cry,
Don't cry, I don't cry,
I don't cry, don't cry.
I cry for love
I cry for love

Want some of this,
Want some of that,
Some of what
Where it's at.
If I fall I get up,
Am I tough, tough enough?
For I bend I don't break,
If I want I just take.
If I cut I bleed,
If I bleed I don't cry,
Don't cry, I don't cry,
I don't cry, don't cry.
I cry for love
I cry for love
I cry for love
I cry for love
