You took me through the water, Then you told me not to
look straight down, but I did
The more I found The more you hid, you put me on
I wake up in the morning and I turn around and find you
gone, just me in bed
No note, no call, no sweet words said, yeah ya' put me
on

[Chorus]

She might please you, miss whoever
She might lead you to think you're too clever
She'll deceive you, you best forget her
Cause whoever miss whoever is she ain't me

Everytime we make a plan you find a way to show-up
late
You lost your time, you say: relax baby don't lose your
mind, well you put me on
Don't you think I noticed when you strolled away to take
that call, said out of state
You faced the wall, your voice felt faint yeah ya' put me
on

[Chorus]

She might please you, miss whoever
She might lead you to think you're too clever
She'll deceive you, you best forget her
Cause whoever miss whoever is she ain't me (2x)

She Ain't Me, She Ain't Me
