The moon is full and my arms are empty  
All night long Iâ€™ve pleaded and cried  
You always said the day that you would leave me  
Thereâ€™d be a cold day in July

Youâ€™re bags are packed, not a word is spoken  
I guess weâ€™ve said everything with goodbye  
Time moves so slow and promises get broken  
On this cold day in July

Sunâ€™s coming up, coming up down on Main Street  
Children shout as theyâ€™re running out to play  
Head in my hands, here I am standing in my bare feet  
Watching you drive away, watching you drive away

You said that we could last forever  
You said our love would never die  
It looks like spring and it feels like sunny weather  
But itâ€™s a cold day in July

Oh sunâ€™s coming up, coming up down on Main Street  
Children shout as theyâ€™re running out to play  
Oh head in my hands, here I am standing in my bare feet  
Watching you drive away, watching you drive away
