I set out on a narrow way many years ago  
Hoping I would find true love along the broken road  
But I got lost a time or two  
Wiped my brow and kept pushing through

I couldn't see how every sign pointed straight to you  
Every long lost dream lead me to where you are

This much I know is true  
That God blessed the broken road  
That led me straight to you

Every long lost dream lead me to where you are  
Others who broke my heart, they were like Northern  
stars  
Pointing me on my way into your loving arms

This much I know is true  
That God blessed the broken road  
That led me straight to you
