Dry lightning cracks across the sky  
Those storm clouds gather in her eyes  
Her daddy was a mean old mister  
Mama was an angel in the ground  
The weather man called for a twister  
She prayed blow it down

Thereâ€™s not enough rain in Oklahoma  
To wash the sins out of that house  
Thereâ€™s not enough wind in Oklahoma  
To rip the nails out of the past

[Chorus:]

Shatter every window 'til itâ€™s all blown away,  
Every brick, every board, every slamming door blown  
away  
'til thereâ€™s nothing left standing,  
Nothing left of yesterday  
Every tear-soaked whiskey memory blown away,  
Blown away

She heard those sirens screaming out  
Her daddy laid passed out on the couch  
She locked herself in the cellar  
And listened to the screaming of the wind  
Some people called it taking shelter  
She called it sweet revenge

[Chorus:]

Shatter every window 'til itâ€™s all blown away,  
Every brick, every board, every slamming door blown  
away  
'til thereâ€™s nothing left standing,  
Nothing left of yesterday  
Every tear-soaked whiskey memory blown away,  
Blown away

Thereâ€™s not enough rain in Oklahoma  
To wash the sins out of that house  
Thereâ€™s not enough wind in Oklahoma  
To rip the nails out of the past

Shatter every window 'til it's all blown away (blown  
away)  
Every brick, every board, every slamming door blown  
away (blown away)  
'til there's nothing left standing,  
Nothing left of yesterday (blown away)  
Every tear-soaked whiskey memory blown away,

Blown away, blown away, blown away, blown away
