What'cha gonna do with the 36 cents
Sticky with Coke on your floorboard
When a woman on the street is huddled in the cold
On a sidewalk vent trying to keep warm
Do you call her over hand her the change
Ask her a story ask her her name
Or do you tell yourself

You're just a fool
Just a fool
To believe you can change the world
You're just a fool
Just a fool
To believe you can change the world

What'cha gonna do when you're watching t.v.
And an ad comes on
Yeah you know the kind
Flashin' up pictures of a child in need
For a dime a day you can save a life
Do you call the number reach out a hand
Or do you change the channel call it a scam
Or do you tell yourself

You're just a fool
Just a fool
To believe you can change the world
Don't listen to them when they say

You're just a fool
Just a fool
To believe you can change the world
Oh the smallest thing can make all the difference
Love is alive
Don't listen to them when they say
You're just a fool
Just a fool
To believe you can change the world

The worlds so big it could break your heart
And you just wanna help
But not sure where to start

so you close your eyes
Send up a prayer into the dark

You're just a fool
Just a fool
To believe you can change the world
Don't listen to them when they say
You're just a fool
Just a fool
To believe you can change the world
Oh the smallest thing can make all the difference
Love is alive
Don't you listen to them when they say
You're just a fool
Just a fool
To believe you can change the world
