I set out on a narrow way
Many years ago
Hoping I would find true love
Along the broken road
But I got lost a time or two
Wiped my brow and kept pushing through
Couldn't see how every sign
Pointed straight to you

Every long lost dream
Led me to where you are
Others who broke my heart
They were like northern stars
Pointing me on my way
Into your loving arms
This much I know is true
That God blessed the broken road
That led me straight to
Led me straight to you
Others who broke my heart
They were like northern stars
Pointing me on my way
Into your loving arms
This much I know is true
That God blessed the broken road
That led me straight to you
(Yes it did)

I think about the years I spent
Just passing through
I'd like to have the time I lost
And give it back to you
But you just smiled and take my hand
You've been there you understand
It's all part of a grander plan
That is coming true

Every long lost dream
Led me to where you are
Others who broke my heart
They were like northern stars
Pointing me on my way

Into your loving arms
This much I know is true
That God blessed the broken road
That led me strait to
Led me straight to you
Others who broke my heart
They were like northern stars
Pointing me on my way
Into your loving arms
This much I know is true
That God blessed the broken road
That led me straight to you
(Yeah)

Now I'm just rolling home
Into my lover's arms
This much I know is true
That God blessed the broken road
That lead me straight to you
That God blessed the broken road
That lead me straight to you
(Oooh)
