Hello young lovers  
Who ever you are  
I hope your troubles are few  
All my good wishes go with you tonight  
I've been in love like you

I know how it feels  
To have wings on your heels  
And to fly down the street in a trance

You'll fly down the street  
On the chance that you'll meet  
And you'll meet  
Not really by chance

Don't cry young lovers  
What ever you do  
Dont cry because Im alone  
All of my memories are happy tonight  
Ive had a love of my own

Ive had a love of my own, like yours  
Ive had a love of my own
