I know you don't mean to be mean to me
'Cause when you want to
You can make me feel like we belong
We belong

Lately you make me feel all I am is a backup plan
I'll say I'm done and then you smile at me
And I'll forget everything I said

I buy into those eyes
And into your lies

You say you'll call but I know you
You say you're comin' home but I know you
You say you'll call but I know you won't
You say you'll call but I know you won't

I wish you were where you're supposed to be
Close to me
But here I am just starin' at this candle burnin' out

There's still no sound

Of footsteps on my stairs
Or your voice anywhere

You say you'll call but I know you
You say you're comin' home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't

You say you'll call but I know you
You'll say you're comin' home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't
