Suppose I called you up tonight  
And told you that I loved you  
And suppose I said I wanna come back home  
And suppose I cried and said I think I finally learned my  
lesson  
And I'm tired of spending all my time alone

If I told you that I realize you're all I ever wanted  
And it's killing me to be so far away  
Would you tell me that you love me too  
And would we cry together  
Or would you simply laugh at me and say

I told you so  
Oh, I told you so  
I told you someday you'd come crawling back  
And asking me to take you in  
I told you so  
But you had to go  
Now I found somebody new and you will never break  
my heart in two again

If I got down on my knees and told you I was yours  
forever  
Would you get down on yours too and take my hand  
Would we get that old time feeling  
Would we laugh and talk for hours  
The way we did when our love first began

Would you tell me that you missed me too  
And that you've been so lonely  
And you've waited for the day that I returned  
And we would live and love forever  
And that I'm your one and only  
Or would you say the tables finally turn

Would you say I told you so  
Oh, I told you so  
I told you someday you'd come crawling back  
And asking me to take you in  
I told you so  
But you had to go

Now I found somebody new and you will never break  
my heart in two again  
Now I found someone new and you will never break my  
heart in two again
