Carrie:

Bein without you has turned out to be so inconvenient
And wishin I was with you just seems to end up wastin
all my time

Randy Travis:

You been gone so long that its hard to remember how
the dream went

And all but this broken heart and me, I guess its doin
fine

Both:

Is it still over?

Are we still through?

Randy:

Cause that's my phone that still aint ringin

I assume it still ain't you

Carrie:

I have half the mind to take the time to find somebody
new

Both:

But im not just sure that Im still over you

Randy:

That Lie that I tried to slip by you was told with good
intention

It was just another way to say I love you and protect you
from the truth

Carrie:

And half a pound of cure is surely worth your
prevention

And tryin to explain while im insane is the hardest thing
Ive ever tried to do

Both:

Are we still over?

Is it still through?

Carrie:

Cause that's my phone still ain't ringin

I assume it still ain't you

Randy:

I have half the mind to take the time to find somebody
new

Both:

But I'm not too sure that I'm still over you

(Music)

Is it still over?

Are we still through?

Randy:

Cause that's my phone still ain't ringin

I assume it still ain't you

Carrie:

I have half the mind to take the time to find somebody

new

Both:

And I'm not too sure that I'm still over you

Carrie:

Well if I repeat myself it is cause I've nothing else to do

Randy:

If I repeat myself it is cuz ive nothing else to do

Both:

And I'm not too sure that I'm still over you

I'm not too sure that I'm still over you
