Whatcha gonna do when the show is over  
Whatcha gonna sing when the song ends  
How you gonna cope when there is no closure  
Where you gonna reach when the goal gets higher  
How you gonna make it through  
When you think you lost your chance

Play on  
When you're losing the game  
Play on  
'Cause you're gonna make mistakes  
It's always worth the sacrifice  
Even when you think you're wrong  
So play on  
Play on

Even when the flood gates swing wide open  
Never let the currents sink you down, no  
Even when you're not sure where you're going  
Swimming through a mess and you can't get out  
Just going through the motions, and trying not to drown

Play on  
When you're losing the game  
Play on  
'Cause you're gonna make mistakes  
It's always worth the sacrifice  
Even when you think you're wrong  
So play on  
Play on

Even through a storm on the darkest night  
Don't you ever give up the fight  
Even when you feel you're all alone  
Play on  
Play on

Play on  
When you're losing the game  
Play on  
'Cause you're gonna make mistakes  
It's always worth the sacrifice

Even when you think you're wrong  
So play on  
Play on (play on)  
Play on (play on)  
Ooh, yeah, yeah, yeah, yeah, yeah  
Na, na, na, na, na, na  
Na, na, na, na, na, na  
Na, na, na, na, na, na
