Said goodbye, turned around  
And you were gone, gone, gone  
Faded into the setting sun,  
Slipped away  
But I won't cry  
Cause I know I'll never be lonely  
For you are the stars to me,  
You are the light I follow  
[Chorus:]  
I'll see you again, oh  
This is not where it ends  
I will carry you with me, oh  
Till I see you again  
I can hear those echoes in the wind at night  
Calling me back in time  
Back to you  
In a place far away  
Where the water meets the sky  
The thought of it makes me smile  
You are my tomorrow  
[Chorus:]  
I'll see you again, oh  
This is not where it ends  
I will carry you with me, oh  
Till I see you again  
[Bridge:]  
Sometimes I feel my heart is breaking  
But I stay strong and I hold on cause I know  
I'll see you again, oh  
This is not where it ends  
I will carry you with me, yeah yeah  
[Outro:]  
I'll see you again, oh  
This is not where it ends  
I will carry you with me, oh  
Till I see you again  
Till I see you again,  
Till I see you again,  
Said goodbye turned around  
And you were gone, gone, gone.
