Sitting up on the roof  
Sneaking a smoke by the chimney  
Checking out the moon  
And the city lights  
He takes off his flannel shirt  
And he drapes it around her shoulders  
Slides up behind her and holds on tight  
And she says  
"I don't want this night to end  
Why does it have to end?"

[Chorus:]  
Tomorrow she'll be rolling down I-10  
Baton Rouge, LSU  
18 years in her rearview  
He's got a Friday paycheck lined up down the block  
At daddy's shop  
It ain't much but its a job  
They've been dreading this moment all summer long  
The night before  
Life goes on

Oooh  
A tear falls off her cheek and  
Right when it hits his arm he says  
"Come on baby  
Let's get outta here"  
They take one last drive around town  
And man it  
Already looks different  
He bangs the wheel and says  
"Life ain't fair  
And this growing up stuff man I don't know  
I just don't wanna let you go"

[Chorus:]  
Tomorrow shell be rolling down I  
10 Baton Rouge  
LSU  
18 years in her rearview  
Hes got a Friday paycheck lined up down the block  
At daddy's shop  
It ain't much but its a job  
They've been dreading this moment all summer long  
The night before

Life goes on

Yeah that's what my momma told me  
And just like those kids  
I didn't wanna listen to no one  
Yea theres nothing you can do  
Theres nothing you can say  
And I know how it feels when love goes away

[Chorus:]

Tomorrow shell be rolling down I  
10 Baton Rouge  
LSU  
18 years in her rear-view  
Hes got a Friday paycheck lined up down the block  
At daddies shop  
It ain't much but its a job  
They've been dreading this moment all summer long  
But here it is  
They don't have long  
The night before  
Life goes on  
Yeah e yeah e yeah e yeah e yeahhhh
