There's a place out there for us,
More than just a prayer or anything we ever dreamed
of.
So if you feel like giving up cause you don't fit in
down here,
Fear is crashing in, close your eyes and take my hand.

We can be the kings and queens of anything if we
believe.
It's written in the stars that shine above,
A world where you and I belong, where faith and love
will keep us strong,
Exactly who we are is just enough
Yes there's a place for us, there's a place for us.

When the water meets the sky,
Where your heart is free and hope comes back to life,
Where these broken hands are whole again,
We will find what we've been waiting for,

We were made for so much more

We can be the kings and queens of anything if we
believe.
It's written in the stars that shine above,
A world where you and I belong, where faith and love
will keep us strong,
Exactly who we are is just enough,
Yes there's a place for us, now there's a place for us
So hold on, now hold on,
There's a place for us
We can be the kings and queens of anything if we
believe.
It's written in the stars that shine above,
A world where you and I belong, where faith and love
will keep us strong,
Exactly who we are is just enough, exactly who we are
is just enough,
There's a place for us.
